

## Virus Control Protocol

**For All Visitors Not Part of ISB Community,  
Please Stop and Get Your Temperature Checked!**

1. Visitors who have returned from any country/area which is deemed at RISK in the [RKI list](#) within the last **10 days** should NOT come into the ISB building without **firstly quarantining for 10 days** and providing proof of a negative COVID-19 test carried out by the German authorities.
2. **The School holds the right to take your temperature and refuse entry based on the results.**
3. Any visitor with symptoms of a respiratory illness/sore throat should not come into School.
4. If you have had symptoms of a fever of 37.5 degrees or above, diarrhea or vomiting it must have passed for 48 hours before coming into School.
5. We expect the use of frequent hand washing and the use of our antibacterial hand rub stations. These are positioned in numerous locations around the school with clear signage.
6. Please contain coughs and sneezes on a bent elbow and dispose of any tissues immediately before washing hands.
7. At present visitors who are not already part of our community are asked to undergo a temperature check just inside the Front Door where our Front Office staff are located.

**Please sign on the agreement sheet at the Front Desk that you have read and noted our Virus Control Protocol.**
