Year 12 Mock Examination Timetable for January 2019

Notes: Please note when morning and afternoon examinations begin and ensure that you are in School at least 30 minutes before that time in order to ensure that the examinations may begin on time.

Toilet breaks are not permitted during examinations and students may not, under normal circumstances, enter the examination room *after* an exam has begun nor leave an examination *before* the scheduled conclusion time and until formally asked to do so.

Food and drink may not be brought into the examination room under any circumstances.

All items of value, including any communications devices, *may* be brought into the examination room but *must* be deposited at the back of the room and, in the case of communications devices, **MUST** be switched off, not simply switched to mute or silent.

You must bring an HB or 2B pencil to all multiple-choice questionnaire examinations together with your own eraser.

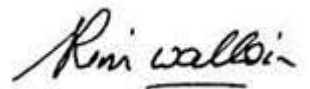

It is your own responsibility to provide sufficient batteries for your calculator – this is not a school responsibility and the School would not normally carry spare batteries for this purpose.

Any items used for writing in an examination must be brought in to the Examination Room in a clear plastic bag or container.

If your first language is *not* English you may use an approved translating dictionary for all group three, four and five subject examinations but this dictionary must be checked and approved by me at least 24 hours prior to the first examination in which it is intended to be used and must then remain in the Examination Room.

All wrist watches must be removed in the examination room and placed on the floor next to the your desk.

Be aware, too, that you are not required to attend Home Group meetings on any of the days of your examinations but you absolutely *must* sign in when you arrive at school and you *must* sign out when you leave so that we always know how many people, and who, should be in the building.
